WEB SITE DEVELOPMENT ACCESS AUTHORIZATION

TECHNICAL INFORMATION

Who is the Internet service provider (ISP) that will host this site?

Who are your sales and technical contacts at the ISP?

Name	Telephone	E-Mail
_____	_____	_____
_____	_____	_____

Do you have a special domain name this site will be assigned to (e.g. www.yourcompanyname.com)?

What is the URL of this site's index page?

What is the address and root directory of the FTP site to which this site's documents will be uploaded (e.g. ftp.yourcompanyname.com/html)?

What are the user ID and password required to gain access to this FTP site?

LEGAL STUFF

Please describe any limitations to the content of the site that should be enforced so both you and we won't get into any ugly trouble. Be as specific as necessary. Use the back of this form if you must.

- By checking this box, you authorize Eshutter Creative and its assigns to develop a Web site which may or may not contain confidential information, acknowledge that Eshutter Creative and its assigns shall abide by any applicable confidentiality agreements only when such agreements are legally documented and signed by authorized personnel, allow Eshutter Creative and its assigns to gain access to Internet accounts specified above for the purpose of site management until such authorized access is terminated by written direction and agree that Eshutter Creative shall not be held responsible for the loss and/or damage in transit of original or duplicate materials submitted in association with the development of this Web site.
